SUBJECT: Proposed Rule-Making Regarding Occupation and Employer Thresholds

This package of proposed rules consists of two possible rule amendments. State Representative Dave Schmidt requested the Commission review increasing the threshold amount at which occupation and employer information is required. The two proposed rule amendments would increase the threshold for reporting occupation and employer information and make the necessary changes to PDC form C-3 to reflect the threshold change.

- **WAC 390-16-034 Additional Reporting Requirements.** This possible rule amendment would increase the dollar threshold at which campaigns report an individual's occupation and employer name and address from \$100 or more to a threshold of more than \$100.
- **WAC 390-16-031 Forms for Statement of Contributions Deposit.** This possible rule amendment would be required if the Commission adopts changes in WAC 390-16-034. The C-3 form would reflect a new reporting threshold for reporting occupation and employer information.

**Commission Action:** If approved, staff will file the CR 102 Proposed Rule-Making notice with the Code Reviser's Office on or before September 19, 2001. A public hearing will be scheduled for October 23, 2001 and, if adopted, the rules would become effective on January 1, 2002.
